

ATI2 EVENTS COVID-19 NOTICE

To ensure that our events are accessible to all and able to keep everyone safe, ATI2 shall be taking the following precautions:

- All event spaces will be limited depending on room size, to ensure attendees can maintain social distancing within the venue
- Doors and windows shall remain open to allow good ventilation
- Cleaning stations and hand sterilizers will be available at the entrance and within the event space
- We politely ask visitors to take a Lateral Flow test 24 hours prior to attending our events. Please do not attend if you have a positive test or are showing any symptoms of Covid-19
- To help everyone feel as comfortable as possible, we will be using traffic light indication on name badges for social interaction preferences
- We also ask you to wear a face mask in public areas, unless you are exempt.

Although we cannot enforce that attendees do the required Lateral Flow testing or wear their face masks, we do hope that everyone will be kind and considerate by joining us in protecting yourself and others that may be more vulnerable.

Thank you for your cooperation.
